Soon after the fall crimson foliage is over, mountains in Fukushima quickly transform into winter's beauty. And the foremost attractions of this season in Fukushima are skiing and snowboarding! Here are 23 ski areas, each distinct, catering to families as well as the individual enthusiast at all levels from beginner to advanced. After a day on the snow, just relax in soothing *onsen* hot springs. We now introduce Fukushima's abundance of popular *onsen* resorts and open-air baths as well as a plethora of winter events. Enjoy the joys of Fukushima's winter to your heart's content.
